catapults

STEM

- 1** Rubber band 3 popsticks together at each end.
- 2** Put 2 popsticks together and rubber band just one end.
- 3** Put the stack of 3 popsticks between the other stack of 2. Rubber band the 3 stick stack to just the top popstick.
- 4** Rubber band the spoon onto the piece of popstick up in the air.
- 5** Use a piece of paper to write a message to a friend. Find an open area and fire your catapult.
