Tower Construction

STEM

Tower Construction

Guidelines:

- Tower base must be within the outline.
- Tower must be able to stand on it's own.
- Tower must stay standing for 1 minute.

Equipment

You can use some or all of the following items:

- Straws
- Cardboard rolls
- Card
- Pipe cleaners
- Spaghetti
- Bluetac
- Paperclips

If your tower doesn't work the first time remember:
Plan, Do, Review!

**Make sure you measure
your tower for the score
board!**
