**Bridge Construction**

**STEM**

# Bridge Construction

Guidelines:

- Bridge must reach from one bench to the other.
- Bridge must be able to stand on its own.
- Bridge must hold the toy car.

## Equipment

You can use some or all of the following items:

- Straws
- Cardboard rolls
- Card
- Pipe cleaners
- Popsticks
- Bluetac
- Paperclips

If your bridge doesn't work the first time remember:  
**Plan, Do, Review!**
